Dear President McPhee:

It is my pleasure to inform you on behalf of the Higher Commission that California State Polytechnic College has been given unrestricted accreditation as a four-year degree granting college with the recommendation that a report be made at the end of two years on the progress of (1) Library facilities on both campuses and (2) the physical science program on the San Dimas Campus.

You will receive a statement of dues for the current year from the Association Treasurer upon payment of which California State Polytechnic College will be included in the list of member schools which is carried in the annual bulletin.

Best personal regards.

Cordially yours,
